about evolve

A HIGHER LEVEL OF RECYCLING

Evolve Recycling is a leading collector and recycler of used ink and toner cartridges that are then remanufactured for reuse or recycled as a last resort. Working with Evolve is the smart choice, both environmentally and financially. We accept brands of cartridges listed on our price list and will pay you cash for reusable ink and toner cartridges.

EVOLVE RECYCLING GIVES YOU THE FREEDOM TO DO WHATEVER YOU WANT WITH THE CASH YOU EARN.

Did You Know?

Items collected by Evolve are always evaluated first for reuse – the highest level on the EPA's waste management hierarchy.

why partner with evolve?

A HIGHER LEVEL OF SUSTAINABILITY

- Evolve Recycling is an environmentally superior solution to end-of-life disposal and/or national brand recycling programs
- Our focus is to collect and remanufacture used cartridges for multiple reuse
- Experience – by partnering with Evolve, you are working with the world's largest collector and recycler of empty ink and toner cartridges
- Industry leading certified program

IT MAKES SENSE

- Easy to deploy, turn key program
- Evolve pays cash giving you the choice to do anything you want with the money you earn

Recycling Fact

The EPA recommends that recyclers first reuse, and then recycle used and end-of-life electronic equipment. Because reusing materials in their current form, without any conversion process, reduces the need for manufacturing new products, valuable resources are conserved and less waste is created.
